Dedication

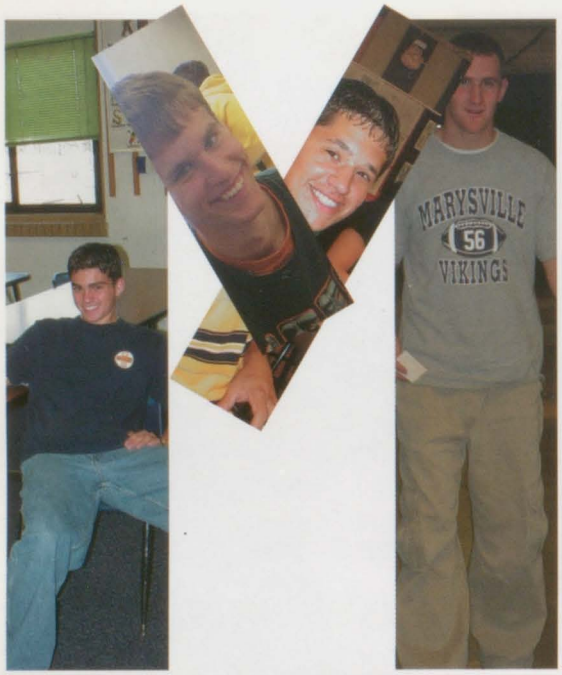

Mr. Allen taught for 31 years in the Marysville School District. He taught for 13 years at Marysville Intermediate School and 18 years at Marysville High School. He also coached basketball and track. However, his affiliation with Marysville schools goes back much farther to when he graduated in 1959. In high school, Mr. Allen was a member of the basketball team and band. He was also the president of the National Honor Society as well as salutatorian of his class. In 1969, Mr. Allen began teaching Math and Science at MIS after teaching for six years at Richmond Middle School. In 1983, he began teaching Geometry and Algebra, which he would continue to do until he retired in 2001. Currently, Mr. Allen is working part-time at Universal Lift, and he teaches driver's training. In his past-time, he enjoys watching Nascar racing, and he is active in his church. He hunts, and he is a pitcher on his softball team, which is a sport he has played since Little League. Mr. Allen also enjoys traveling, and he has plans of going to New Zealand and Austraila. When he is not doing all of these activities, he is spending time with his wife, two daughters, granddaughter, and two grandsons. Mr. Allen was also the 2002 Grand Marshall of our Homecoming festivities. For his commitment to teaching and coaching in the Marysville Schools, the 2003 yearbook is dedicated to Mr. Allen.

"Lean On Me"

By: Bill Withers

Sometimes in our lives,
We all have pain,
We all have sorrow.
But if we are wise,
We know that there's always tomorrow.

Lean on me,
When you're not strong,
And I'll be your friend.
I'll help you carry on,
For it won't be long
'til I'm gonna need
Somebody to lean on.

Please
Swallow your pride,
If I have things
You need to borrow.
For no one can fill
Those needs
That you won't let show.

You just call on me brother
when you need a hand.
We all need somebody to lean on.
I just might have a problem
That you'll understand.
We all need somebody to lean on.

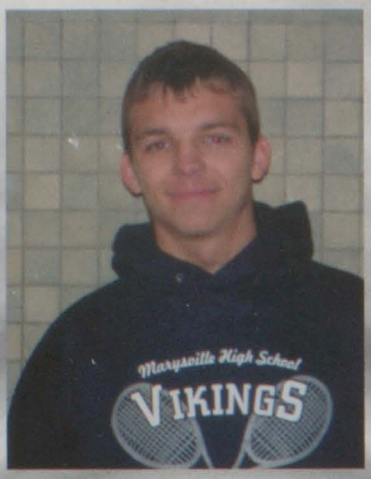

Lean on me
When you're not strong,
And I'll be your friend.
I'll help you carry on,
For it won't be long
'til I'm gonna need somebody to lean on.

You just call on me brother
If you need a friend.
We all need somebody to lean on.
I just might have a problem
That you'll understand.
We all need somebody to lean on.

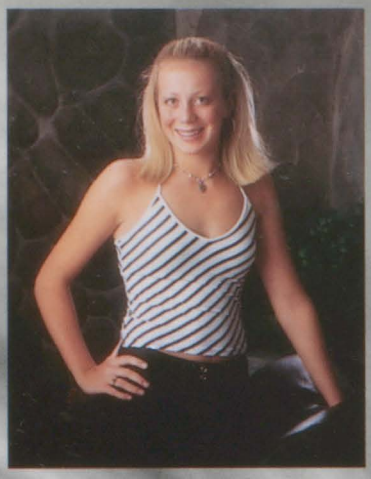

If there is a load
You have to bear
That you can't carry.
I'm right up the road,
I'll share your load
If you just call me
Call me
If you need a friend

To All of My Old Students Who Are Graduating

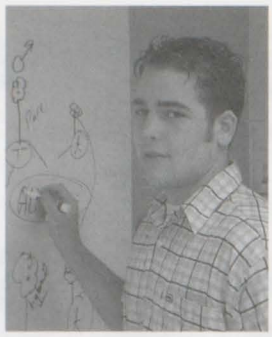

Thank you for making my first year of teaching a memorable one. The plays that you acted out and the skits that you performed are things that I will never forget.

It has been fun watching you turn into mature, young adults, and as you go off to college or whatever else you choose to pursue, always remember that you are who you are and that should be enough!
